

More Sustainable Lunchtimes

On average a lunchbox contains 4 pieces of single use plastic each day, to help reduce the amount of plastic waste.

From Monday 11th November 2019

You will be able to **purchase a school pack lunch** for your child, just send them with their **own empty pack lunch box**.

For your child to put their sandwich and dessert in.
If your child is wants to use the **fruit and salad bar**, they will also need to bring a **re-useable container to fill**.

This prevents the school using, single use plastic.

This also means **children in KS2** will be able to **sit** with their **friends who are having a home pack lunch**.

Additionally, there will still be the option of having pack lunch on a tray.

Reminder: School dinners are free of charge for all children in Reception, Year 1 & 2 and usual meal price applies to Key Stage 2.
