This half term's POWER Project is:

'Life on the Ice'

HAND IN BY:

Choose projects to achieve your minimum

5 POWER Points.

By all means go over 5points!

Tick off what you have completed to achieve your points.

Develop your creativity:

3 points

- ◆ Make a model of an igloo.
- ◆ Make a puppet of who might live in an igloo
- ◆ Draw 5 things you would need to live in one of the Poles
- ◆ Draw a picture of a person who lives in a Polar region. What do they wear? What will they need? Write labels or sentences about your picture.

Explore your locality:

1 point

- ◆ What different homes are there where you live?
- ◆ *Create a scrapbook of photos of different types of homes.*

Explore your mathematical and scientific skills:

2 points

- ◆ Make ice lollies by exploring different amounts of drinks.
 - create your own recipe
 - explore what happens when they are placed in the freeze
- ◆ Freeze some small plastic toys in ice cubes. How much do they weigh when they are frozen? What happens when they melt?

Extend your research skills:

2 points

- ◆ Research the ways in which children live in Polar regions-how is it different to the way we live?
- ◆ Research the different types of homes people live in.
