

Dear Parents and Carers,

The RSBP are making an end of year video to celebrate the outdoors.

As we are working on developing our outside learning environment, we thought it would be a good idea to enter a video of our children engaged in outside activities.

We have attached information regarding what any selected videos will be used for. If you are happy for your child to be filmed and the film submitted to the RSBP please sign the consent form below.

You may wish to visit the RSBP information page by following the email address below.

Kind regards

The Year 1 Team.

## The RSPB needs you!

We're making a video to thank nature for helping us through 2020.

# Be the star... of our end-of-year video

2020 has been a challenging year, but nature has helped us through. We're making a video to celebrate the outdoor spaces that we've relied on more than ever, and we want you to be the star! We're looking for short videos of you in the great outdoors from this year (phone recordings are fine). You'll be helping us say a big thank you to nature, and you might just get your five seconds of fame.

As part of our end of year video, we'd like to include a montage of our supporters enjoying nature in 2020.

Please send us a short video (from your phone is fine) of you and/or your loved ones in the great outdoors.

It could be a video of you relaxing in the garden, walking the dog in your local park, exercising outdoors, on holiday with friends and family. However and wherever you've enjoyed nature, we want to see it!

This can be existing video that you've taken at any point in 2020, or something brand new. Videos can be a maximum of 20 seconds (up to 50Mb), but feel free to submit up to 5 clips.

### **Please submit them to us by Sunday 8th November.**

Look out for the video in December!

By submitting you are confirming that:

- You have produced the video yourself
- You consent to the RSPB using this video as part of a 'thank you' video to be distributed across the organisation's communication channels (although there is no obligation for RSPB to use the video)
- You confirm that everyone featured in your video, has given their express permission to be included and agrees to these terms and conditions. This includes anyone who appears in your video as an identifiable individual so please seek their permission before uploading your content.
