Term 3 2021/22

Dear Parents/Carers,

This week we have had a busy week and all the children have been working hard and showing our school values of: **Courtesy, Care, Commitment and Consideration.**

We have had our first face-to-face assemblies in a while, which has been a great opportunity to reinforce our school values and expectations of how children behave; showing respect and great listening skills.

School Parliament also showed amazing communication skills this week when they were chosen to meet with some important visitors to the school and ask them questions about their jobs and experiences. All of our guests commented on the children's politeness and the challenge of their questions and thinking skills. Well done School Parliament!

Across the school there have been a variety of interesting learning opportunities this week. Year 5 have been to Medway Park for their swimming lessons where they showed sensible attitudes and resilience in learning to swim. Year 3/4 have been learning about Stone Age tools which has excited them to learn more about the topic. Year 1 have been helping nature by completing a range of wildlife-friendly challenges since September, including making a fabulous bug hotel out of pallets, bird feeders and a warm place for hedgehogs to hibernate. As a result of all their hard work, we have been awarded the Bronze Award from the RSPB. Well done Year 1!

National attendance in schools is 96% and we are working hard to ensure all children at Twydall attend school every day. This week we have had 92.3% attendance so we are looking at ways we can work together to improve attendance in our school and ensure children do not miss out on important learning time. Please speak to Mrs Deasey, our Home School Support Worker, or Mrs Butler in the office, if you need help or guidance in order to improve your child's attendance.

We are always happy to listen.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Mrs Wilmer".
