Dear Parents/Carers,

## Communication

We hope you enjoyed the opportunity to come back into school this week for our first face-to-face parents' meetings in a long time. It was lovely to see so many families take up the chance to meet the class teacher and discuss their child's progress. We hope you found it useful and that you have the information needed to support further learning at home. Reading every day at home with your child is so important in supporting them to develop this essential life skill, as well as increasing confidence, vocabulary and communication skills. If you were unable to attend your appointment, then class teachers will be in touch to reschedule or offer you a telephone catch up. We are hoping to offer more occasions throughout the year for parents/carers to come into school and celebrate the children's successes, learning and other events. Keep an eye out on Class Dojo for future diary dates. If you haven't signed up yet then please ensure you do, as this is an excellent system for keeping everyone informed and up to date with school matters.

## Book Week

This week, we have been building on reading skills by celebrating World Book Day with a whole week of activities based around books. All classes have studied a particular author and style of writing, designing book covers, producing art, drama, dance, fact files and creating their own characters and stories. Please take a look on your Class Dojo page for photos of the week's events. We are lucky to have Mrs Stanley as our own resident children's author on the staff team and the children have all had author workshops with her. It was lovely to see all the children and staff dressed up as different book characters today, and we hope that this exciting week has inspired the children to enjoy reading and exploring books. Thank you to Miss Tapson for organising such a fun week!

A reminder to please ensure your children stay with you as you enter and exit the site in order to keep them and others safe. Our car park and the main roads surrounding the school, get very busy at these times. Many thanks for your support.

Wishing you all a lovely weekend.

Yours sincerely,
