*If you phone 999 but can't make a noise through fear of being found, it will go to the Police Voice Response System. You will then hear a recorded message which tells you that you are through to the Police and to press 55 if you need an emergency service. The message lasts 20 seconds and if the caller presses 55, the operator will know it's a genuine emergency. If 55 is not pressed, the 999 operator will NOT be notified.
